## FACULTY & ADVISORS:

### PLEASE HELP MAKE THIS A SUCCESS!

We need your help ensuring students write a letter to their future selves and bring it with them to the Gym to place in the time chest during the party. Create opportunities during class time to help students complete their letters.

Stationary for students to write letters to their future selves is available in Megan Benfield's office, or you can download and print your own (document attached to this email)

\*\*T-shirts and cupcakes for Early Childhood & Lower School students will be distributed to classrooms.
